

W. Phillips.

"The true Church in the Community
is always like the magnet which
falls amidst a mass of iron
filings - it immediately draws to
itself whatever is true metal." [So
we test ~~the Antislavery & kindred~~
~~reformers, for we find~~ Fe.]

"And when the question is asked
Has X^t. & his Church done any
thing for the world, we are un-
willing yet, yet, and must be
gathered from the dwarfed & heartless
apoc'ry. wh. call themselves by his
name. 4
